Active IX

Ready to rejoin the conversation?

The hearing technology you need... in a contemporary design you want. Active IX is a premium hearing device for people who don't accept limitations. Contribute confidently to group conversations in any environment with Signia's game-changing technology, and enjoy the convenience of Bluetooth streaming and hands-free calling.

5 reasons to choose Signia Active IX

- **Reconnect with the conversation:** Active IX features breakthrough technology that enhances group conversations in noise.
- **Cutting-edge design:** Its contemporary design makes Active IX a hearing aid unlike any other. Crafted to sit comfortably in the ear, it's available in six striking colours.
- **Active IX keeps you connected**
 - Bluetooth streaming for iPhone and Android
 - LE Audio-compatible
 - Hands-free calling for iPhone
- **All-day power:** Enjoy a full day of power and, for added convenience, charge on the go with a handy charging case.
- **Real-time fine tuning:** The AI-powered Signia Assistant intelligently customises your settings to match your preferences and environment.

A new era of hearing

A contemporary design on the outside. A high-performance hearing aid on the inside. With its game-changing design and breakthrough technology, Active IX looks and performs like no other hearing aid out there.

Discover high-performance hearing

Introducing Active IX, a hearing aid that combines an appealing contemporary design, with the latest technology for conversations in noise. Active IX offers a soft and flexible fit in the ear making it easy to insert and comfortable to wear.

Rejoin the conversation with a new era of hearing.

Be
Brilliant™

Discover the perfect blend of comfort, stylish design, and innovative technology with Signia.

About Signia

Signia is one of the leading hearing aid brands in the world. Our goal is to enhance human performance through iconic innovations that shape the prescription audio category. We refuse to accept hearing loss as a limitation. It's not about correcting a loss, it's about gaining an edge. Not just performing, performing brilliantly. Not just hearing again, but hearing better than ever. Hearing every word, beat, and breath. With Signia, you can Be Brilliant.
